Approval by:	Governing Board or Delegated Committee
Review frequency:	Every three years
Date of approval:	December 2022
Date of next approval:	December 2025

1. Introduction

Bolder Academy is committed to providing a secure environment for students, where children feel safe and are kept safe. All adults at Bolder Academy recognise that safeguarding is everyone's responsibility irrespective of the role they undertake or whether their role has direct contact or responsibility for children or not.

In adhering to this policy, and the procedures therein, staff and visitors will contribute to Bolder Academy's delivery of the outcomes to all children, as set out in s10 (2) of the Children Act 2004*.

Bolder Academy's Preventing Extremism and Radicalisation Policy is one element within our overall Academy arrangements to Safeguard and Promote the Welfare of all Children. This is in line with our statutory duties set out at s175 of the Education Act 2002 (s157 of the Education Act 2002).

Our Academy's Preventing Extremism and Radicalisation Policy also draws upon the guidance contained in the "London Child Protection Procedures" and DfE Guidance "Keeping Children Safe in Education"; and specifically, DCSF Resources "Learning Together to be Safe", "Prevent: Resources Guide", "Tackling Extremism in the UK", DfE's "Teaching Approaches that help Build Resilience to Extremism among Young People" and Peter Clarke's Report of July 2014.

** the physical, mental health and emotional well-being of children; the protection of children from harm and neglect; the education, training and recreation of children; the contribution made by them to society; and their social and economic well-being.*

2. Academy Ethos and Practice

When operating this policy, Bolder Academy uses the following accepted Government definition of extremism which is:

'Vocal or active opposition to fundamental British values, including democracy, the rule of law, individual liberty and mutual respect and tolerance of different faiths and beliefs; and/or calls for the death of members of our armed forces, whether in this country or overseas'.

There is no place for extremist views of any kind in our Academy, whether from internal sources – students, staff or governors, or external sources – the community, external agencies or individuals.

We aim to ensure our students see our Academy as a safe place where they can explore controversial issues safely and where our teachers encourage and facilitate this – we have a duty to ensure this happens.

We recognise that extremism and exposure to extremist materials and influences can lead to poor outcomes for children and so should be addressed as a safeguarding concern as set out in this policy. We also recognise that if we fail to challenge extremist views we are failing to protect our students.

Extremists of all persuasions aim to develop destructive relationships between different communities by promoting division, fear and mistrust of others based on ignorance or prejudice and thereby limiting the life chances of young people. Education is a powerful weapon against this; equipping young people with the knowledge, skills and critical thinking, to challenge and debate in an informed way.

Therefore, at Bolder Academy we will provide a broad and balanced curriculum, delivered by skilled professionals, so that our students are enriched, understand and become tolerant of difference and diversity. We also want them to thrive, feel valued and not marginalized.

Furthermore, at Bolder Academy we are aware that young people can be exposed to extremist influences or prejudiced views from an early age which emanate from a variety of sources and media, including the internet, and at times students may themselves reflect or display views that may be discriminatory, prejudiced or extremist, including using derogatory language.

Any prejudice, discrimination or extremist views, including derogatory language, displayed by students or staff will always be challenged and where appropriate dealt with in line with our Behaviour Policy for students and the Code of Conduct for staff. Where misconduct by a teacher is proven the matter will be referred to the National College for Teaching and Leadership/ subsequent agency.

As part of wider safeguarding responsibilities staff will be alert to:

- Disclosures by students of their exposure to the extremist actions, views or materials of others outside of the Academy, such as in their homes or community groups, especially where students have not actively sought these out.
- Graffiti symbols, writing or art work promoting extremist messages or images.
- Students accessing extremist material online, including through social networking sites.
- Parental/carers reports of changes in behaviour, friendship or actions and requests for assistance.
- Local partner schools, local authority services, police reports of issues affecting students in other schools or settings.
- Students voicing opinions drawn from extremist ideologies and narratives.
- Use of extremist or 'hate' terms to exclude others or incite violence.
- Intolerance of difference, whether secular or religious or, in line with our equalities policy, views based on, but not exclusive to, gender, disability, homophobia, race, ethnicity or culture.
- Attempts to impose extremist views or practices on others.
- Anti-Western or Anti-British views.

Our Academy will closely follow any locally agreed procedure as set out by the Local Authority and/or Hounslow's Safeguarding Children Board agreed processes and criteria for safeguarding individuals vulnerable to extremism and radicalisation.

3. Teaching Approaches

We will all strive to eradicate the myths and assumptions that can lead to some young people becoming alienated and disempowered, especially where the narrow approaches children may experience elsewhere may make it harder for them to challenge or question these radical influences. In our Academy this will be achieved by good teaching through all areas of our curriculum including PSHE, personal development (tutor time) and assemblies.

We will ensure that all our teaching approaches help our students understand what extremism is, how to keep themselves safe and build

resilience to extremism giving students a positive sense of identity through the development of critical thinking skills.

We will ensure that all our staff are equipped to recognise extremism and are skilled and confident enough to challenge it. Our annual safeguarding training will include Prevent and radicalisation including warning signs and how to promote safe and open discussions in school.

We will be flexible enough to adapt our teaching approaches, as appropriate, so as to address specific issues so as to become even more relevant to the current issues of extremism and radicalisation. We will monitor local, national and international issues which may need addressing and discussing with our students. In doing so we will apply the 'key ingredients' for success as set out in the Table in Appendix 1 taken from the DfE document above and we will apply the methodologies set out in that document following the three broad categories of:

- Making a connection with young people through good teaching and a student centered approach.
- Facilitating a 'safe space' for dialogue; and
- Equipping our students with the appropriate skills, knowledge, understanding and awareness for resilience.

Therefore, this approach will be embedded within the ethos of our Academy so that students know and understand what safe and acceptable behaviour is in the context of extremism and radicalisation. This will work in conjunction with our Academy's approach to the Spiritual, Moral, Social and Cultural development of students and will include the sound use of assemblies to help further promote this rounded development of our students.

Our goal is to build mutual respect and understanding and to promote the use of dialogue not violence as a form of conflict resolution. We will achieve this by using a curriculum that includes:

- PSHCE programmes.
- Open discussion and debate.
- Work on anti-violence and a restorative approach addressed throughout curriculum and the Behaviour for Learning Policy.
- Focussed educational programmes.

We will also work with local partners, families and communities in our efforts to ensure our Academy understands and embraces our local context and values in challenging extremist views and to assist in the broadening of our students' experiences and horizons.

We will help support students who may be vulnerable to such influences as part of our wider safeguarding responsibilities and where we believe a student is being directly affected by extremist materials or influences we will ensure that that student is offered mentoring. Additionally, in such instances our Academy will seek external support from the Local Authority and/or local partnership structures working to prevent extremism.

At Bolder Academy we will promote the values of democracy, the rule of law, individual liberty, mutual respect and tolerance for those with different faiths and beliefs. We will teach and encourage students to respect one another and to respect and tolerate difference, especially those of a different faith or no faith.

It is indeed our most fundamental responsibility to keep our students safe and prepare them for life in modern multi-cultural Britain and globally.

4. Use of External Agencies and Speakers

At Bolder Academy we encourage the use of external agencies or speakers to enrich the experiences of our students, however we will positively vet those external agencies, individuals or speakers who we engage to provide such learning opportunities or experiences for our students.

These external agencies will be vetted, this is detailed in the Visiting Speakers Policy.

We must be aware that in some instances the work of external agencies may not directly be connected with the rest of the Academy curriculum, so we need to ensure that this work is of benefit to students.

We recognise, however, that the ethos of our Academy is to encourage students to understand opposing views and ideologies, appropriate to their age, understanding and abilities, and to be able to actively engage with

them in informed debate. We may use external agencies or speakers to facilitate and support this.

By delivering a broad and balanced curriculum and enrichment programme augmented by the use of external sources where appropriate, we will strive to ensure our students recognise risk and build resilience to manage any such risk themselves where appropriate to their age and ability but also to help students develop the critical thinking skills needed to engage in informed debate.

5. Whistle Blowing

Where there are concerns of extremism or radicalisation students, staff and governors will be encouraged to make use of our internal systems to Whistleblow or raise any issue in confidence. The process of whistleblowing is covered in annual safeguarding training, governor safeguarding training and induction for all new staff.

They must inform the Headteacher straight away (or if it relates to the Headteacher inform the Chair of Governors.)

6. Safeguarding

Please refer to our Safeguarding and Child Protection Policy for the full procedural framework on our Safeguarding and Child Protection duties.

Staff at Bolder Academy will be alert to the fact that whilst extremism and radicalisation is broadly a safeguarding issue there may be some instances where a child or children may be at direct risk of harm or neglect. For example, this could be due to a child displaying risky behaviours in terms of the activities they are involved in or the groups they are associated with or staff may be aware of information about a child's family that may equally place a child at risk of harm. (These examples are for illustration and are not definitive or exhaustive).

Therefore, all adults working in Bolder Academy (including visiting staff, volunteers, contractors, and students on placement) are required to report instances where they believe a child may be at risk of harm or neglect to the Designated Safeguarding Lead or Headteacher. Staff at Bolder use CPOMS to record any concerns.

Bolder Academy have reviewed its policies and practice using the Prevent Duty for School Self-Assessment Toolkit provided by the DfE. Bolder Academy also completes a Prevent risk assessment.

7. Role of the Designated Safeguarding Lead

The Designated Safeguarding Lead is: Liz Green

The Deputy Designated Safeguarding Leads are: Heidi Swidenbank, Adam Bones and Frances Gibney.

8. Role of Governing Board

The Governing Board of Bolder will undertake appropriate training to ensure that they are clear about their role and the parameters of their responsibilities as Governors, including their statutory safeguarding duties.

The Governing Board will support the ethos and values of the Academy and will support it in tackling extremism and radicalisation.

In line with the provisions set out in the most recent version of DfE guidance 'Keeping Children Safe in Education' the Governing Board will challenge the senior leadership team on the delivery of this policy and monitor its effectiveness.

The Safeguarding Governor is Andrew Dodge, Chair of Governors.

9. Monitoring

Completion of PREVENT training will be logged by the Academy and a copy sent to the Home Office.

A summary of this will also shared with Governors.
