

School Led Tutoring Premium 2021 – 2022

Overview:

- Bolder Academy still receive £24,097.00 from the DfE for school led tutoring. Bolder Academy will contribute a further £8032.33 towards this. This means £32129.33 is allocated to tuition at the Academy.
- The Academy firmly believes that the staff at the school know the students well and are best placed to support them in catching up with their learning hence the school's decision to employ their own teaching staff.
- Students will receive blocks of 15 hours of tutoring over the course of the year.

Activities	Cost	Expected outcome
